

# AVIARY VINEYARDS CABERNET SAUVIGNON

2020 | \$17.99

## DESCRIPTION

Aviary Vineyards launched with the 2010 vintage of their Napa Valley Red Blend. That first vintage took advantage of tiny lots of different varieties from 13 different vineyards throughout Napa Valley. Much like an aviary, the blend of different grapes interacted and harmonized to create a wine that was beautiful, enjoyable, and captivating. Each component is wonderful, but together, they combined into a genuinely great experience.

## Aviary Vineyards Cabernet Sauvignon 2020

The Aviary California Cabernet Sauvignon captures the quintessential big, rich, dark fruit flavors that have made Cabernet Sauvignon such a popular wine from the Golden State. It is a composition of 83% Cabernet Sauvignon, 15% Merlot, and 3% Cabernet Franc. Also, the grapes were harvested from three different areas Napa County, Sonoma County, and Lodi County.

## Tasting Notes

### NOSE:

On the nose you will find generous blackberry and blueberry fruit with a touch of baking spice and crushed earth.

### PALATE:

The mid-pallet continues with dark fruit expressions of black plums and cassis, red fruit in the form of subtle strawberry preserves, and just a hint of bright menthol or eucalyptus. The French and American oak program adds notes of caramel, cigar box, and a romantic, dusty

leather and cedar quality that gives the wine depth and layers. Balanced acidity and soft but structured tannins give this wine a gorgeous texture.

**PAIRING:**

This wine is one that pairs exceptionally well with your favorite steak or roast but will shine just as well on its own. This wine is a wonderful example of the rich, smooth, and elegant style that Aviary has become so well known for.
