2021/\$10.99

## DESCRIPTION

Founded in 1999, Oak Grove Vineyards proprietor Jeffrey Dye subscribes to the belief that all the best wines start by being made in the vineyard, with a proficient wine growing team. The winemaking staff takes great pride in searching out the finest grapes from California's cool appellations.

The family has been making some of California's finest wines for generations. Choosing only the best fruit from the finest coastal vineyards, they strive for excellence in all of their reserve wines. It's the best the family has to offer.

What could be more stately and picturesque in the middle of a vineyard than an oak grove? Having stood all tests of time, while enjoying a prolific wealth of fortitude, an oak grove gives back to the land in more than full measure. It is these qualities of strength, endurance, and virtue that gave Oak Grove Family Reserve Wines its name. Once the inspiration took seed, the next step was to find high quality fruit. And so, it was decided that Oak Grove Family Reserve Wines would choose the finest fruit from California's cool coastal regions.

## OAK GROVE VIOGNIER 2021

Viognier (vee-own-yay ) a rich, oily white wine that originates in the Northern Rhône and is rapidly growing in popularity in California, Australia, and beyond. Wines are often aged in oak to deliver Chardonnay-like richness.

## Tasting Notes

### NOSE:

On the nose, Viognier is a very aromatic wine with rich aromas of tangerine, mango, honey-suckle, rose, and peach. Oaked versions will also have subtle vanilla and smoke aromas. Despite smelling sweet Viognier is typically dry.

### PALATE:

Viognier is quite viscous and full-bodied. If you like full-bodied Chardonnay you'll probably like Viognier. This wine possesses notes of white peach, vanilla and herbs. It is soft and round on the palate and well-balanced.

### PAIRING:

Rich and full bodied, this excellent white wine has the body and flavor to stand up to full flavored dishes. Pair with cheese tortellini in a light cheese sauce for a memorable experience.
